

Mobile License

Sage UBS Mobile license provides the convenience for user to continue working with the system when he/she is out of office.

With Sage UBS mobile license, user can check out 1 user license from the host PC each time, save the mobile license file in any storage device, and install the mobile license at any client PC. The mobile license is valid for maximum of 14 days. User can also set the validity timeframe of the mobile license while checking out the mobile license.

@Host PC

Open Sage UBS Program,
Goto Control Panel > Manage License >
.Accounting License
.Inventory & Billing License

Click on 

The image shows a screenshot of the 'License Wizard' dialog box. The dialog has a title bar with 'License Wizard' and a close button. The main content area is titled 'Manage License by choosing one of the option below'. It contains several sections with radio button options:

- Activate New License:**
 - I would like to activate my software over the internet
- Upgrade Existing License:**
 - I would like to upgrade my existing license to new license over the internet
- Update License:**
 - I would like to update my license over the internet
- Deactivate License:**
 - I would like to deactivate my license over the internet
- Mobile License:**
 - I would like to check-out mobile license
 - I would like to check-in mobile license

To the right of the 'Mobile License' options, there are two yellow buttons: 'Transfer Out' (aligned with the 'check-out' option) and 'Transfer In' (aligned with the 'check-in' option). At the bottom of the dialog, there are three buttons: 'Previous', 'Next', and 'Cancel'.
